Dog Policy

Dear Customers

Elton Community Café is a dog friendly Café. We ask all dog owners to please observe the following rules:

1. Dogs are welcome in the café.
2. Dogs must be kept on a lead whether inside or outside the café.
3. Please do not allow dogs to lie in the aisles, as staff and customers need to be able to move around the café freely and will often be carrying hot food and drinks.
4. Please respect the fact that not all customers are dog lovers.
5. If your dog is having a noisy day, i.e. barking a lot, please take him or her outside so as not to disturb other users of the café.
6. For hygiene reasons, please keep doggy paws and faces away from tabletops.
7. If your dog has an accident, please let a member of staff know so we can clean it up.
8. We have dog treats and food available to purchase.
9. If your dog has muddy paws, please clean them of with towels provided at the front door.

Thank you!

Nicki and Team
